DI MILANO

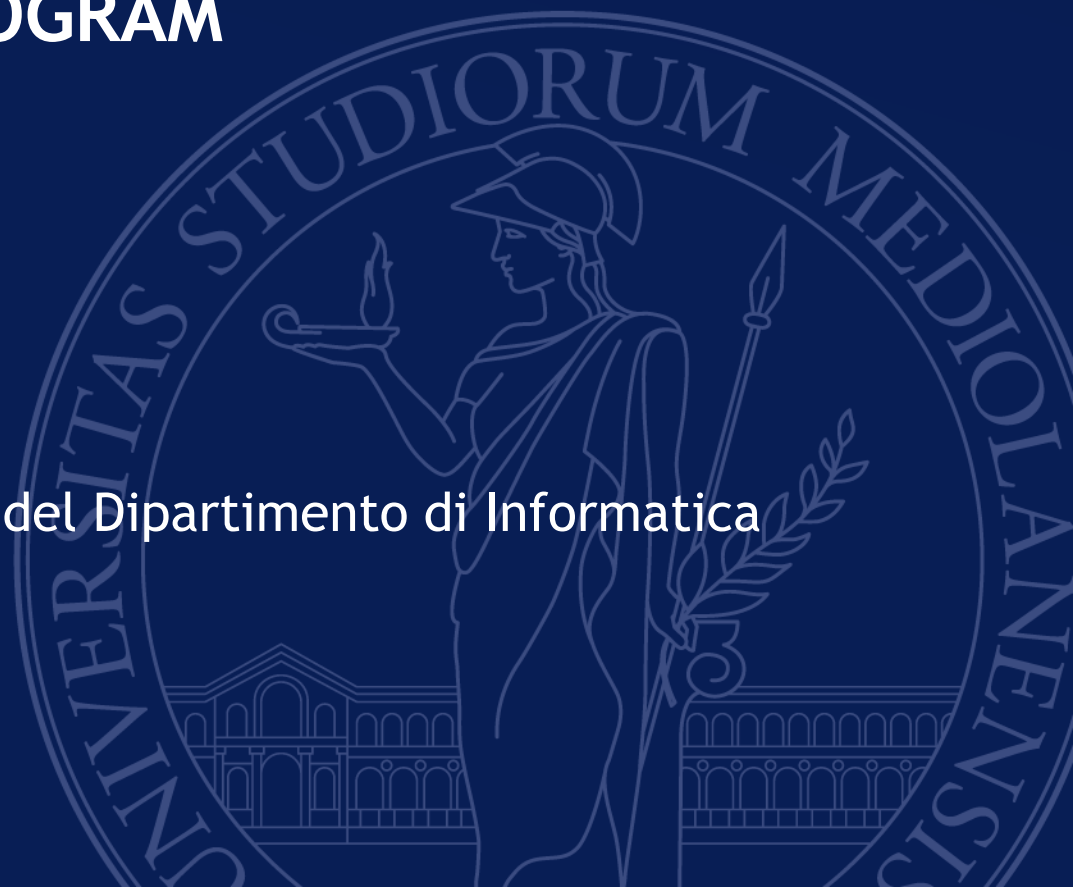

ERASMUS+ PROGRAM

Bootstrap Day
23/09/2025

Commissione Erasmus del Dipartimento di Informatica

Fabio Scotti

fabio.scotti@unimi.it

Today's question is...

could be of
interest to
me?

Let's try to figure it out together.

Study abroad

 International Mobility Day programme

Studying abroad with Erasmus+

An experience of study or educational traineeship abroad in over 300 different European partner universities, with the recognition of the activity as part of students' academic career.

Erasmus KA171 outgoing

Mobility for teaching staff and for thesis periods in non-EU countries having cooperation agreements with the European Union.

Blended Intensive Programmes (BIP)

Innovative, short-term mobility programmes that combine virtual and in-person learning

Double degree

Find out about courses and competitions that enable you to undertake part of your university studies in another country and obtain a double degree.

Exchange/outside EU

Information, procedures and calls for applications for study programmes outside the European Union

Thesis abroad

Study grants for Master's theses at academic and research institutions in other countries.

International opportunities

Calls and procedures for undertaking a study or research period abroad.

Traineeships abroad

Competitions, opportunities and activation procedures for undertaking a traineeship abroad.

International programmes

Discover the international programmes for graduates, doctoral students and researchers wishing to continue study abroad.
